Totally Abandoned

G D Em C
All that I've lived for, poured out in defeat, at Your precious feet
G D Em C
All that I've longed for, totally undone, by Your Savior love

Am G/B C D
You are my Resurrection, You are my life
Am G/B C
Jesus, Here is my sacrifice . . .

G D
I am totally abandoned, wrecked at Your feet
Em C
I am smitten by forgiveness, broken and complete
G D
Help me die to my ambitions and my self erected pride
Em C
Help me live out on this altar 'till in You I'm crucified

All that I've strived for, counted up as loss, nailed to the cross
All that I'd die for is found alive in You, the way and the truth

You are my Resurrection, You are my life
Jesus, Here is my sacrifice . . .

Nothing compares to being close to Your heart
Jesus, I want to be where You are . . .
